IMPORTANT INFORMATION FOR ALL INTERNATIONAL STUDENT

Scholarship Information

This scholarship provides a 20% reduction on your tuition fees for the duration of your studies, as long as you remain enrolled in full-time study for the course and intake specified in your Letter of Offer and adhere to the scholarship's terms and conditions.

To keep your International Merit Scholarship, you must pay all tuition and fees in full each term according to CQUniversity policy. Failure to pay these fees, having an academic progression level 3 condition, cancelling your enrolment, or not complying with your student visa conditions may result in the withdrawal of your scholarship. If you cancel your studies before completion or transfer to another education provider, you may be required to repay the scholarship fees for completed terms. If your admission offer to CQUniversity expires or you request a deferral of your start date, the scholarship will lapse, and you will need to submit a new application. Eligibility for the scholarship will be reassessed if you defer your admission.

Please note that the scholarship is not redeemable for cash and can be withdrawn by the university with 10 days' written notice for any breach of terms. If notified of a scholarship withdrawal, you have 10 days to appeal the decision.

The terms and conditions of the International Merit Scholarship may change at any time, and you will receive 20 working days' written notice of any changes. For questions regarding the scholarship terms, please contact the Student Service SPOT team at your campus.

Overseas Student Health Cover (OSHC)

If you are applying to study as a student visa holder, the Australian Government Department of Home Affairs requires that you have Overseas Student Health Cover (OSHC) for the entire duration of your student visa. OSHC is health insurance for international students that helps to cover medical costs while studying in Australia. This means that the OSHC insurance must commence from approximately one month (4 weeks) prior to commencement of term and must be in effect until you leave Australia or move to a non-student visa subclass. CQUniversity's preferred OSHC provider is Bupa Australia and you are provided with an Advantage OSHC Policy. The OSHC amount included in your offer is estimated on your expected visa duration. You will be required to finalise payment of any variation to this amount when you arrive on campus to enrol. If you plan to arrive prior to the start of your OSHC cover, you must immediately contact your health insurance provider to request that the cover starts earlier. This may mean that there are additional costs. If you intend to study on another temporary resident visa subclass (not student visa), please ensure you have adequate health insurance that meets the conditions applicable to your visa. Bupa Australia offers [Overseas Visitor Cover](#) (OVC). Bupa Australia OSHC or OVC schedule fees are subject to change. Policy details can be found at: [Bupa Australia](#). For full exclusions, limitations, waiting periods, terms and conditions please read the Bupa Australia [Policy Document](#).

If you purchase your OSHC policy through CQUniversity, you will have the added benefit of membership to Student Parachute, a 24/7 student safety support service provided by Bupa Australia at no additional cost to provide our students with 24/7 on-demand support. Once you have commenced at the University, you will be able to access this support via the Student Parachute app where a team of trained professional staff are ready to respond to your safety and well-being needs, anywhere in Australia.

Tuition Fees

Fees are determined by CQUniversity annually and are subject to change. The fees that are payable in future years will be those that have been approved for that calendar year and may be different to those listed in your offer letter. Your offer letter lists the indicative annual fee (for two academic/study terms) and the offer acceptance deposit fee payable when you accept your offer. Commencing students will be charged the relevant tuition fees as per the approved schedule for that year, and fees may increase each year. Units from a different discipline area will attract tuition fees at the applicable rate: this may increase/decrease your annual tuition fees. The other non-tuition fees applicable for the course are outlined in the CQUniversity Handbook

<https://handbook.cqu.edu.au>

Please note that the fees mentioned in the acceptance table are the minimum standard deposit payable and are an indicative figure that is required to obtain the Confirmation of Enrolment (COE). In addition to paying this, you must also meet the Genuine Student (GS) criteria which includes the Financial Assessment before your acceptance can be finalized.

Cancellation Fees

If a student chooses to discontinue their studies before successfully completing 48 credit points of studies, and does not enrol in their subsequent term, a cancellation fee of AUD \$6,000 may apply. Upon successful completion of 48 credit points (equivalent to the successful completion of two terms of full-time study in most cases) the cancellation fee is **fully refundable** or can be used for future tuition fee payments. This is in line with the University's Student Refund and Credit Balance Policy and Procedure.

Biosecurity Enhancements - arriving into Australia

Australia has strict requirements on the food, plant materials or animal products that can enter or leave the country. From 01 January 2021, student and temporary work visa holders may have their visa cancelled at the point of entry to Australia if they do not comply with this legislation. More information can be found [here](#).

Complaints and Appeals

CQUniversity's [Complaints Policy and Procedure](#) is available to students who have applied to or are enrolled at CQUniversity and feel dissatisfied about a University-related experience or feel they have been treated unfairly in some way by a University decision. Students can raise the complaint informally by discussing the matter directly with the person or school area concerned. Students are encouraged to try and resolve their complaint informally as in most cases this leads to a prompt

The official complaint will be managed by the University in line with the Complaints Policy and Procedure and an outcome provided to the student within the timelines noted within the Policy. I understand and agree that should I need to apply for a refund, that the refund can only be paid to me (the student), or the person (or organization) which originally paid my fees; or the person specified by me in this agreement. I understand that this is a requirement under the International and Domestic Anti-Money Laundering Legislation that the University will refund monies only to the account or credit/debit card where the original payment was made from. If I am the recipient of government sponsorship or an education loan, I acknowledge that refunds may only be paid to my sponsor or loan institution (unless the sponsor or loan institution acknowledges otherwise).

Partial refunds i.e. an administrative charge of 5% or \$500 will apply if my student visa application is refused. If I cancel my studies at any time after census date, I understand and agree that I am still liable for any outstanding fees that remain unpaid and/or offer acceptance deposit.

I understand and agree that if I transfer provider or cancel my course prior to the completion of my course/s as per my letter of offer and confirmation of enrolment/s then I will be required to repay in full all waived administrative fees (if applicable) and/or all CQUniversity scholarship amounts (if student is a recipient of a CQUniversity Scholarship) from each term enrolled and studied as per scholarship terms and conditions and the CQUniversity Refund Policy.
